Our Dental Operator Stools with black bases are some of our best-selling dentist's chairs. These simple but high-quality chairs feature a smooth action pneumatic height adjustment (20” – 28”) and a practical 360° swivel for ease of motion.

These Dental Operator Stools are available in a variety of anti-microbial vinyl finishes and benefit from a pulled seat which helps to prevent upper leg impingement. Lastly, these premium dentist's chairs benefit from an easy clean black base and hard, free-wheeling castors for manoeuvrability.

*This best-selling stool is available with or without an additional footrest, be sure to choose the version that is right for you!*
