Introducing our maximum comfort tilt saddle stools with torso arm, these luxury stools adopt a new and ergonomic style of seating in the form of a contoured saddle-shaped seat pad which provides expert comfort and helps to correct posture when used long-term, in addition, this version of the stool benefits from a height adjustable, rotating torso arm with 270° rotation which can be used for aiding precision dental work.

These dentist's saddle stools with torso arm offer a pneumatic height adjustment and a 360° swivel action for maximum manoeuvrability. This saddle stool is available in a wide range of anti-microbial vinyl colour options with an added option of a black leather covering and boasts hard free-wheeling castor wheels for added stability.

Our tilt saddle stools with torso arm are available with and without an additional footrest ring which provides added comfort when working at height. Choose the option that's right for you.

Extra options:

Additional Memory Foam padding gives extra comfort if seated for long periods
