Our Tilt Saddle Chairs are the perfect seating option for dentists who need to perform regular precision work. This premium dental chair features a contoured saddle-shaped seating pad which helps to aid correct posture, a 360° range of motion and a pneumatic 35° seat tilt adjustment. On top of this, this chair benefits from a pneumatic height adjustment, contoured back support with dual adjustment and hard, free-wheeling castors for added stability.

Our Tilt Saddle Chairs are available in a range of anti-microbial vinyl colours with an added option of a black leather covering and an optional foot-rest ring which provides increased comfort when working with the seat fully extended. An alternative leather upholstery is also available for this item!

Extra options:

Additional Memory Foam padding gives extra comfort if seated for long periods

+ £30

Wheel Variants:
