Our Tilt Contour Chairs with Torso Arms are the height of workplace comfort! These innovative contoured chairs feature a shaped seat pad with 35° pneumatic tilt adjustment and a dual adjustment contoured backrest for further fine-tuning and posture management. These Tilt Contour Chairs benefit from a 20" – 28" inch pneumatic height adjustment, hard, free-wheeling castor wheels and a choice of hard-wearing antimicrobial vinyl colour options.

If you are performing precision or time-consuming dental procedures then our Tilt Contour Chairs with Torso Arms are the perfect product for you, their height-adjustable torso/arm provides maximum support when you need it most!

This comfortable dentist's chair is available both with and without an optional footrest. The optional footrest is an ideal add-on for dentists using the chair at full extension as the footrest ring helps to provide additional stability and comfort.

Extra options:

Additional Memory Foam padding gives extra comfort if seated for long periods

+ £30
